

## Not Your Grandfather's Ranch.....2018 CWGA Young Entrepreneurs

Whether you are just getting started in the sheep industry or wanting to take on more responsibilities on your family's operation, there are many obstacles, old and new, in this business and it can seem intimidating at times. The Colorado Wool Growers Association would like to provide young entrepreneurs with the management tools and networking opportunities with other young producers at the CWGA convention in July. The young entrepreneurs session will be held on July 11 at 3:00 – 6:00 p.m. We are offering a special registration price for young entrepreneurs of \$75 for full convention registration.
